

# ST. FINBAR ELEMENTARY SCHOOL

*"Building kingdom relationships, one disciple at a time."*

---

Dear Parents,

We are very proud to offer a dynamic learning experience for our students which is rooted in the great traditions of Catholic Education. Our dedicated faculty and staff assist the students as they grow academically, socially, and spiritually. In addition to our high academic standards, we offer a wide range of extra staff and programs that enhance the standard curriculum including Art, Music, Physical Education, Science, French, Spanish, Yearbook, Dance, Choir, Computers, and International Student Programs. As members of the Catholic Youth Organization, our sports teams compete against other Catholic Schools. Morning and After School daycare and hot lunch are available.

Our wonderful Albert Hall includes: a gym for basketball, volleyball, and physical education, a stage with lights and sound for all of our performances, a kitchen for our snack and lunch services, the Mother Cabrini Room that has Enrichment Classes during the day, and our After School Program after school, and our pleasant outdoor Saint Francis of Assisi Plaza for relaxing and eating.

We have dedicated classrooms to enhance the use of technology across the curriculum: The Dominic Savio Independent Learning Center, and The Technology Enrichment Classroom. In addition, we have a Science Lab and Library.

The best way to learn more about our school is to call and make an appointment with me. I will be happy to elaborate on what the school has to offer, answer your questions, and take you on a tour of the facility.

Attached you will find the application packet. Our goal is to make the admission process as easy as possible for you. The School Secretary, Mrs. Lula Gjonaj, and the Business Manager, Ms. Dee Smith will be happy to assist you and answer any questions about your application. If you have any questions, please contact the office at 818-848-0191 or email me at [razar@saintfinbar.org](mailto:razar@saintfinbar.org). We will be more than happy to assist you.

On behalf of Father Francis Mendoza, the Pastor of the Saint Finbar Catholic Community, I want to thank you again for your interest in Saint Finbar Parish School; I'm looking forward to meeting you.

With God's Blessings,

*Ms. Rosselle Azar*  
Principal

# GENERAL INFORMATION

## AGE CRITERIA

### ONE YEAR EARLY FIVES PROGRAM:

Ideally, students should be 4 years old by October of the year they enter. There are some exceptions which can be discussed with the Principal during the interview and school tour.

### TWO YEAR EARLY FIVES PROGRAM:

We do accept students younger than the above entrance date, but these students must be able to use the restroom independently and be able to be away from their parents for the entire school day. In this case, parents must agree that their child spends two years in our Early Fives Program before advancing to Kindergarten.

Kindergarten: Must be 5 years old by SEPTEMBER 1ST of the year they enter.

First Grade: Must be 6 years old by SEPTEMBER 1ST of the year they enter.

## SPECIAL CIRCUMSTANCE

St. Finbar works hard to accommodate the diverse needs of our students. However, we ask that all parents disclose any and all special circumstances, including IEP (Individualized Education Plans) information during the application process so we may best assist your child.
