

SAINT FINBAR PARISH SCHOOL

Dear Parents,

Thank you for your interest in our wonderful Catholic School! We are very proud to offer a dynamic learning experience for our students which is rooted in the great traditions of Catholic Education. Our dedicated faculty and staff assist the students as they grow academically, socially, and spiritually. In addition to our high academic standards, we offer a wide range of extra staff and programs that enhance the standard curriculum including Art, Music, Physical Education, Science, French and Spanish, Hip Hop Dance, and Technology. As members of the Catholic Youth Organization, our sports teams compete against other Catholic Schools. Day care and hot lunches are available.

Our wonderful Albert Hall includes: a gym for basketball, volleyball, and physical education, a stage with lights and sound for all of our performances, a kitchen for our snack and lunch services, the Mother Cabrini Room that has Enrichment Classes during the day and our After School Program after school, and our pleasant outdoor Saint Francis of Assisi Plaza for relaxing and eating.

We have four rooms to enhance our Enrichment Program: The Dominic Savio Room (Library), The Dora Morales Room (Art), The Sister Rose Byrne Room (Foreign Language and Science), and The Shenon Kumaratunga Room (Technology). These rooms are in addition to the Science and Primary Computer Labs that support the main curriculum.

The best way to learn more about our school is to call and make an appointment; we will be happy to elaborate on what the school has to offer, answer your questions, and take you on a tour of the facility.

Attached you will find the application packet. Our goal is to make the admission process as easy as possible for you. The School Secretary, Mrs. Lula Gjonaj, and the Business Manager, Ms. Dee Smith will be happy to assist you and answer any questions about your application. If you have any questions, please contact the office at 818-848-0191 (finbar4545@yahoo.com); we will be more than happy to assist you.

We want to thank you again for your interest in Saint Finbar Parish School; we are looking forward to meeting you.

With God's Blessings,

Father Francis Mendoza
Pastor

Mr. Michael Marasco
Principal

Admission into Early Fives for the 2021-2022 School Year

One Year Early Fives Program:

Ideally, students should be 4 years old by October 1, 2021. There are some exceptions which can be discussed with the Principal during the interview and school tour.

Two Year Early Fives Program:

We do accept students younger than the above entrance date, but these students must be able to use the restroom independently, and be able to be away from their parents for the entire school day. In this case, parents must agree that their child spend two years in our Early Fives Program before advancing to Kindergarten.
